The property we present to your attention is a land plot with a construction project in Munich (Bavaria). The project provides for the construction of a residential building with 4 apartments.

The price is 1,600,000 euros

The plot area is 420 sq. m.

Munich is the capital of the federal state of Bavaria, located in the south of Germany. The population of the city is more than 1,550,000 people. It is the largest city in Bavaria and the third, after Berlin and Hamburg, city in Germany. Modern Munich is not only a center of cultural values, but also a major industrial and research center. Thanks to the famous universities, the Bavarian State Library, one of the most significant in the world, the Max Planck and Heinz Mayer-Leibniz Institutes, the nuclear research reactor and other institutions, Munich holds a strong position in European science. Munich is also rightfully considered the IT capital of Germany. Real estate in Munich is the most expensive one in Germany.

If you are interested in this and other objects, you can leave a request. The employees of our company will contact you in the near future and will provide you with the corresponding information.

Do not miss the opportunity to purchase a land plot with a residential real estate construction project in Munich!
