Your attention is presented the current business in the field of providing services in the area of Housing and communal services, located in the center of Germany. For many years, the company has been successfully providing classic services related to real estate. This includes services for cleaning, gardening, tree care and cutting, as well as clearing areas of snow in the winter season. The company has been continuously growing since its foundation, and in the coming years there will be further growth due to the expansion of the range and attraction of new customers. In addition, it does not depend on individual clients. The company's real estate can be either rented or purchased at a market price. The company is being sold due to the owner reaching an advanced age. At the moment, the company's turnover is about 1.4 million euros, with an income of more than 500,000 euros. The price of the company is 3,500,000 euros. For confidentiality purposes, all further information will be given at the discretion of the seller only upon request with full information about the potential buyer and after signing a confidentiality agreement. To do this the buyer (an individual) must provide a resume with a description of past activities, or (for legal entities) a link to their official company website.
