Services of the
management company

We present to your attention a regional craft company in Berlin, which is on the market for over 30 years and has made a very positive development ever since. The traditional craft company is specialised on carpentry, windows & doors, assembly and special and interior construction.

It employs 26 employees and had 4,0 Mio. EUR annually sales in 2020/ 0,4 Mio. EBITDA.

The company's customer base has private and commercial end customers (10%/90%).

It has a 1000 square meters production and assembly hall including painting, 150 square meters of office and exhibition. All areas are rented at customary local conditions.

The company is debt free and the owner (around 60 years old) would be available to the company by consultancy contract.

The price of the company is 1.800.000 EUR.

The minimum amount of own funds required for purchase is about 500.000 EUR.

For confidentiality reasons, all further information will be given at the discretion of the seller only upon request, indicating full information about the potential buyer and after signing a confidentiality agreement. To do this, the buyer (individual) must provide a resume with a description of past activities, or (for legal entities) a link to your official website of the company.

If you are interested in this and other objects, you can leave a request. Employees of our company will contact you in the near future and provide you with objects that meet your request.
